Driving Prospect Sierra Students on School-Related Functions

STUDENT SAFETY: As required by law, Prospect Sierra expects each driver to drive safely and to enforce proper and safe use of seat belts. Drivers may not carry more passengers than there are working, individual seat belts and car seats. For other guidelines concerning air bags and cell phone use, please see the Student Life: Field Trips Section of the *Prospect Sierra School Handbook.*

VEHICLE INSURANCE: As in previous years, the drivers and/or vehicle owners and their insurance carrier are primarily responsible for any claim resulting from an accident.

YOUR DRIVING RECORD: As part of our commitment to student safety, our insurance carrier requires that we obtain your motor vehicle record. The information in your record will be used strictly for insurance purposes, and your privacy will be respected.
