

Prospect Sierra School
Grandparents and Friends

We treasure the involvement of grandparents, family, and friends in the life of our school community. Prospect Sierra hosts a biannual Grandparents and Friends Day (the next one is November 2008), invites them to take part in other school wide events, sends them school publications, and welcomes their expertise and experience in the classroom. If you would like to have grandparents, family, and friends included in these invitations and to receive publications, please list them below.

Because we rely on financial support from many people in the community for the success of our educational program, **we plan to ask these individuals for their financial support as well.** If you prefer that we not solicit any of these individuals, please so indicate after their names(s). **Names which you have provided us in prior years will remain in our files unless you indicate otherwise;** please let us know if there are pertinent changes of address or other information. If you are not sure who in your family is listed in our files, please contact us (see below).
