welcome

From the Head of School, Nisa Frank

PAGE 4

After four years, and many scenarios to test our durability, I can safely say that we are a community whose greatest asset is one another. This year, I continue to witness the loving stretch that everyone makes through acts of kindness. After two beloved parents in our community passed away this year, I watched our community wrap its arms around the grieving students and the families that returned to our campuses with support and love that I can only describe as inspiring. Daily, I get to feel the energy of our Avis students cheering on their friends in a talent show or experience the kindness of clarity as our Tapscott students share their learning about the impact of their voice and what it means to stand for and with others in this year's Winter Study. And from a big hug when there are tears, to the intentional thought that happens before every student walks through the door, our teachers model kindness daily.

While incredibly kind, your commitment to our school is also necessary to make Prospect Sierra one of the most impactful places for a child to learn and grow. Whether you are donating to the Annual Fund, driving on a study trip, handing out pizza slices to happy children, serving as a leader in our parent association, or simply sending an email of appreciation to your child's teacher, you are creating the

community that we all appreciate and love. And because of these acts of kindness, your children, along with our faculty and staff, can thrive. Our ecosystem feels fully accounted for and we can all move forward, progressing and evolving in ways that every school should be able to.

We don't take having such a dynamic community for granted and we do our best to try and communicate the daily outcomes of our partnership. Whether it's through PS News, our annual Kaleidoscope magazine, newsletters from teachers, morning meetings, or our social media presence, we hope that you have seen the joy and hard work that goes into the learning process at Prospect Sierra. More importantly, we hope you feel a part of it.

One of my core values is gratitude. If we can intentionally acknowledge what we are grateful for every day, that energy transfers to others and we remain in a space of humility and openness. Thank you for consistently being on my daily gratitude list.

NISA FRANK
HEAD OF SCHOOL

From the Board of Trustees

Dear Prospect Sierra Community,

It is hard to believe that we are halfway through the school year! We hope your children are having a wonderful year, and that you have made time, in your own ways, to connect with the PS community.

As board members, we oversee the school's use of financial resources and how they connect to the school's strategy and values. At our monthly meetings, we review the school's financial position including our current year budget versus actual financial performance, the performance of our long-term reserves, and our projected budget for the following school year, which we ultimately approve at the May board meeting every year.

We discuss the school's goals and how the budget relates to those goals and have a healthy dialogue about the need to balance short-term needs and long-term sustainability. It is incredible how much the school can leverage its resources to impact its short-term and long-term goals.

A couple of highlights from the 2022-23 school year include:

1. **The creation of the Associate Head of Program and Professional Development, and hiring of Abby Guinn.** Under Abby's leadership, we've focused on the following:
 - a. After surveying the community and researching assessment options, we piloted and deployed MAP Growth assessment in grades 3-8.
 - b. Vetted by a faculty-led task force, we invested in a new social-emotional curriculum that meets our students where they are today.
 - c. Abby has expanded the professional development offerings for faculty and staff and has maximized our ability to have many of these opportunities funded by the state.
2. **Focus on campus security.** A recently awarded grant will allow for new security cameras, campus access controls, and upgrades to fencing and gates. A second grant is pending which may allow for additional security enhancements.
3. **Outdoor learning spaces.** A process is in place to redesign the Tapscott play yard and improve outdoor learning spaces such as the upper hillside at Avis. Outdoor spaces, whether for play or learning, are a critical component of joyful learning.

We want to continue to invest in our program, keep our faculty and staff compensation competitive, and increase the flexible tuition investments in our community. This is challenging to do at a time when costs such as healthcare and insurance are rising at exponential rates, and we are mindful of the need to keep tuition increases as low as possible. We are fortunate that we are in a position to use some of the operating reserve that has been built up over the last few years and that Nisa and the Senior Admin team are so resourceful and innovative.

As a community, let's continue to support one another and maintain the financial vibrancy of Prospect Sierra. Thank you for your commitment and dedication to this special school community!

With gratitude and appreciation,

Denise Yamamoto, Board Chair
Delphine Sherman, Board Treasurer & Finance Committee Chair

2022-23 Development Committee Report

We are privileged to have devoted families, faculty and staff, alumni, alumni parents, grandparents, and friends who generously support Prospect Sierra every year.

As Prospect Sierra's largest fundraising initiative, the Annual Fund raised over \$385,000 from more than 350 current and alumni families, grandparents, faculty and staff, and friends of the school. This allows Prospect Sierra faculty and staff to bring valuable insights to the classroom through professional development; gives our students innovative learning experiences through academic programs; provides enhancements to our curriculum; supports athletic, art, and drama programming, and also makes possible routine improvements to our campuses, including technology, libraries, colab spaces, and every little thing that sustains our programs and activities.

Our November 2022 Turkey Drive in support of our partnership with The Black Neighborhood raised the funds to purchase 500 turkeys. It brought smiles to families in our neighboring community who may not have had a Thanksgiving dinner without this support.

Count Me In Events, the Spring Walkathon, and Silent Auction - events where fun, friendship, and fundraising come together - raised \$47,000 to support the people and programs that make our school so special.

A generous additional gift from parents Jon Rubenstein and Karin Swann-Rubenstein allowed four additional faculty and staff to attend a week-long Permaculture and Design Certification class over the summer at Occidental Arts & Cultural Center. To date, fourteen faculty and staff have benefitted from this opportunity.

And let's not forget our amazing volunteers and the Prospect Sierra Parent Association (PSPA) who enrich our community every day. Families play a crucial role in our school community. From driving on field trips, providing hospitality at morning meetings, helping in the classroom and libraries, sewing costumes, serving pizza on Pizza Days, showcasing an Authors & Lectures series, providing support to the Caring Committee when needed, and providing an appreciation lunch to the faculty and staff.

Your belief in the power of education is evident. Love, justice, innovation, and impact are alive and we appreciate every one of you!

With gratitude,

Liz Clark

Annual Report 2022-23

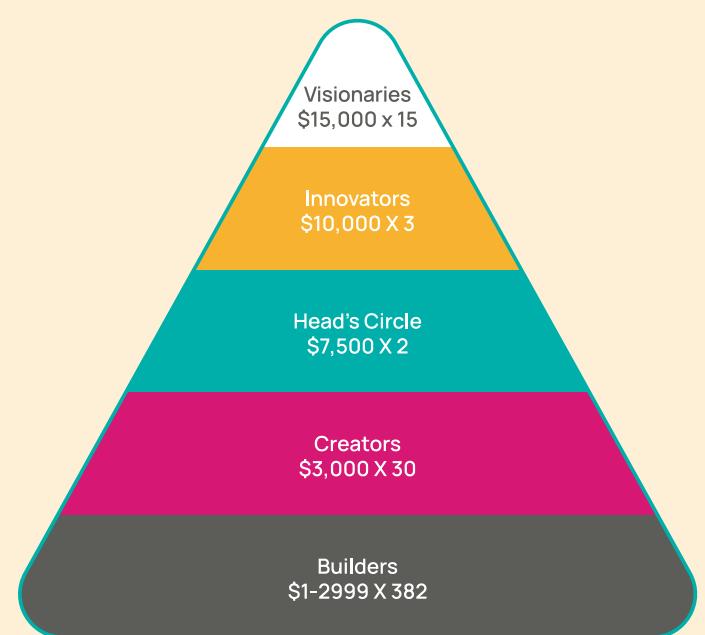

We Are Grateful For You

It is often said it takes a village, and here at Prospect Sierra that is true in so many ways. We are grateful to all of our parents, grandparents, faculty, staff, and community members who give to the school each and every day with their time, talent, and treasure. Prospect Sierra is nationally recognized as a school with rigorous academics, a social-emotional focus, and a commitment to diversity, equity, and inclusion. We are teaching our students to care for others, themselves, their community, and our environment.

Your gifts to the school help support these programs, and much, much more. Each year members of the Prospect Sierra community join together and make yearly gifts to raise the critical funding that is necessary for our budget that is not covered by tuition. A gift to Prospect Sierra is an investment in the future, and we thank you.

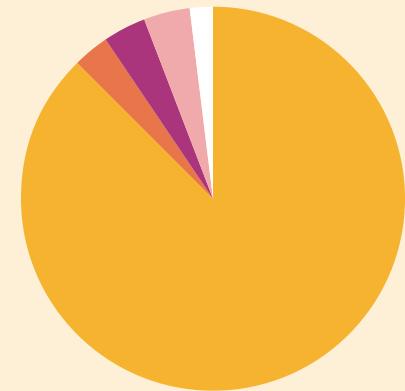

We are truly grateful for your contributions and for your generosity and participation.

Operating budget and financials

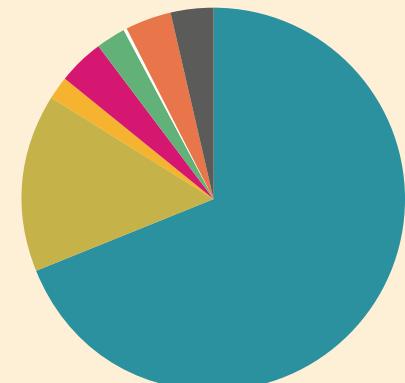

Operating Revenues 2022-2023

Tuition and fees	15,686,879

Donor Roll

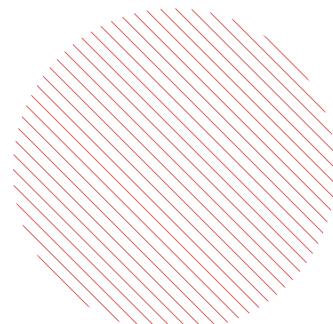

PAGE 10

Each and every gift provides our faculty and students the tools to build a better world. Thank you to our current and past families, faculty and staff, alumni, grandparents, matching gifts companies, and sponsors for your generous investment in our mission. The Donor Roll reflects our community members who have supported the Prospect Sierra Annual Fund and the Annual Spring Fundraiser, a Walkathon in April/May 2023, which benefited flexible tuition. Fundraising is critical to the success of our academic program, providing over 4% percent to the school's annual operating budget. Thank you to all of our generous donors who have given to Prospect Sierra, supporting our students of today and our changemakers of tomorrow.

Gifts received between July 1, 2022, and June 30, 2023, ranged from \$5 to over \$25,000 and are listed below in alphabetical order. We make every effort to publish accurate, up-to-date information, but errors do occur. If your name has inadvertently been misspelled, omitted, or listed in the wrong place, we apologize and ask you to contact the Development Office at (510) 809-9012 or development@prospectsierra.org so that our records can be corrected.

Current Parents

We are extremely grateful for the generous support of our parent community. During the 2022-23 school year, we achieved over 65% percent participation from our parent community in support of the Annual Fund.

Faculty and Staff

Faculty and staff are the heart of Prospect Sierra. We are thankful for the leadership, thought, and energy they give each year. We are also thankful for their 99% percent participation in the Annual Fund during 2022-23, contributing over \$19,000.

Walkathon

Each spring we hold a Walkathon fundraiser where families and friends come together to walk, run, hula hoop, jump rope, climb our El Cerrito hills, and more, in support of our school. During the 2022-23 Walkathon and Silent Auction, we raised \$45,000! Thank you to the Walkathon sponsors and participants for coming together in fitness and fun to support Prospect Sierra.

Ways to give

Every single gift to Prospect Sierra is vital to supporting the school's annual fund, endowment, and capital needs. Prospect Sierra is a nonprofit organization under section 501(c)(3), and your donations are tax-deductible to the fullest extent allowable by law (TAX ID # 94-2940144). The Development Office welcomes inquiries about Prospect Sierra's fundraising programs. Please contact us at development@prospectsierra.org for more information.

Here are several ways you can make a gift to the school.

Count Me In Events

A few years ago we began a fundraising tradition centered around community-building events and gatherings designed to foster relationships and support our school at the same time. These "Count Me In" (CMI) events have grown to include kid-friendly Halloween activities, adult-centered Super Bowl parties, self-care pilates retreats, and more! Count Me In events raised \$12,000 in support of the people and programs that make our school the special place that it is during the 2022-23 school year.

A huge thank you to the parents, faculty, and staff that volunteered their time, talents, and treasures to these fun community-building fundraisers!

Cash

Cash gifts are tax-deductible to the full extent allowed by law, and may be made with cash, checks, credit card, or text PS Donate to 41444. You may visit the school's website at www.prospectsierra.org/giving to make an online gift as well. The Development Office is available to help you set up a pledge payment schedule to fit your family's needs.

Securities

If you own stocks or manage a Donor Advised Fund that appreciated in value, a gift of those to Prospect Sierra can result in significant tax savings. You may be able to obtain a tax deduction for the full value of the gift and avoid paying tax on the gain from a sale of the assets. Please contact your financial advisor, tax consultant, or development@prospectsierra.org for more information.

Tribute Gifts

Gifts in memory of a friend or family member, or in honor of a special occasion, may be made to the Annual Fund or the fund of your choice. Please contact the Development Office at (510) 809-9012 with any questions.

Planned Gifts

Prospect Sierra accepts planned or deferred gifts through life insurance, charitable trusts, and bequests. A donor may wish to consider these options as a way to reduce or avoid estate and inheritance taxes while securing the future of the school. Please contact the Development Office at (510) 809-9012 if you're interested in including Prospect Sierra in your estate plans.
